
Chicago Area Grant Application Form

Working collaboratively, representatives from Chicago's foundations and corporate giving programs and a broad range of nonprofit organizations designed this form in order to streamline the grantseeking process.

Be strategic. Make sure that the goals, objectives, and amount requested in your proposal match the criteria of the funder you are approaching. A cover letter should be included with each proposal which introduces your organization and your request, and makes a strategic link between your proposal and the funder's mission and grantmaking interests. Information about many individual grant programs is available from each funder at the Library of the Donors Forum of Chicago.

Important notes

1. Please keep in mind that different funders have different guidelines, priorities, deadlines and timetables. In addition, funders who accept this form may require a preliminary concept paper or request additional information at any stage in the proposal process.
